

# Horizons

A series of thin, dark lines radiate from the bottom right of the title 'Horizons', extending across the page towards the bottom right corner. These lines are parallel to each other and create a sense of depth and perspective, resembling a horizon line or a stylized mountain range.

*We dedicate this spirit to  
Miss Dorothy Thomas*

Since the fall of 1949 when she first appeared on the Holmes campus Miss Thomas has been a stabilizing force. Her positions as classroom teacher and high school girls' basketball coach are but a few of her many chores. She is in charge of many activities, from cheerleader elections and football concessions to girls' track. She enjoys doing the things she does for the students and is always a friend whenever the students need one. Because of her years of service and her untiring efforts on behalf of Holmes we dedicate the 1964 HORIZONS to MISS DOROTHY THOMAS.

*Frank B. Branch*

In 1936, Frank B. Branch came to Holmes Junior College as a teacher of college history, line coach in football, girls' basketball coach and track coach. In 1942, he was made head football coach and in 1946 his team played in the first Junior College Bowl game in America. The next year his team played in the first Doll and Toy Bowl in Hattiesburg where Holmes beat Wesson 6-0. Mr. Branch was the Principal of the High School and Athletic Director in 1948. This continued until in December, 1955, he was made President of Holmes Junior College. In this capacity he has served faithfully and diligently. Holmes Junior College has made great strides under his leadership and we look with optimism toward the future with his guidance.

One of the highest honors that a Holmes student can receive is to be selected for the Hall of Fame. The four members that are chosen for this honor are selected on the basis of character, leadership, scholarship, and contribution to the promotion and betterment of Holmes Junior College. Members of the Hall of Fame are selected by the faculty upon nomination from a faculty committee appointed by the president of the college. All selections are done by secret ballot.

## *Bulldog Spirit . . .*

Across the gridiron, the court, the diamond,  
It welds players and Bulldog fans into a force  
That takes its stand at the goal line.  
It is the tenacity that fights against odds,  
The humility that crowns a victory.  
It gives heart to the cheerleaders  
To urge the team on.  
It lingers after the last play,  
A part of past and future.
